

Pricing for RPAC (Recognition of Previously Acquired Competencies) (EVC)¹ AUGent – Standard Procedure

For such a request, the applicant pays an administrative fee of €55.00 to the university of applied sciences or university where the request is submitted.

In addition, the applicant pays extra costs for further processing of the procedure to the same institution:

- **For part of a programme**, regarding specific competencies, such as for a course unit or a cluster of course units.
- **For an entire programme**: when the applicant requests an assessment of general competencies at the programme level (Associate Degree, Bachelor's, or Master's) or the specific competencies of a well-defined programme.

Specific rates apply to each of these cases; see below for details.

The amounts are adjusted annually according to the evolution of the health index (reference month: September). The administrative fee remains unchanged.
